

3/28/2019 Time 6:00 PM to 8:00 PM 801 88th AVE SE Tumwater WA 98501

Please bring your volunteer hours they are essential to document the grant match with the Recreation & Conservation Office

We look forward to seeing you at the meeting.

Agenda

6:00 – 6:10 Trailhead connection project Porter Trail

6:10 – 6:15 Introductions

6:15- 6:50 Update on timber sales. Before the end of the month there will be an updated timber sale map posted here <https://www.dnr.wa.gov/Capitol> The current map is located there as well along with the 2019 event schedule.

The Delineation sale (Porter trail) and results from the onsite meeting on 3/21 will be discussed

The timber sale in the upper portion of McLane Creek is finished and the forestry trail has reopened.

6:50 - 7:00 Great Gravel Pack In results

7:00 – 7:05 Break

7:05– 7:10 Update on Margaret McKenny water system, septic system site addition and camping expansion / Update on Middle Waddell campground / trailhead paving and possible

July 1 time frame for closure for a few days of work. Fall Creek timber sale expansion sale is scheduled to sell April 1 and will be completed by July 31. Actual clearing time will take about a week.

7:10 – 7:20 Trail clearing status . WCC crews have been working on clearing the North Rim ORV trail – bring information on what has been cleared on who is planning on clearing trails.

7:20 – 7:30 Update on DNR and volunteer directed projects – bring your updates!

7:30 – 8:00 Round Table

Notes from the 1/31/2019 User Group Meeting will be provided VIA email and at the meeting.

There is still blocking snow on the upper section of the C-4000 road – though Trey Wilson from the gravel grind race is going to have this section plowed open.

Please use caution clearing trails
